Wonderful

Rob Thomas

Look at me, I'm made of wonderful, wonderful
I'm all easy breath and steady walk, steady walking
But underneath I'm barely moving, no it's like I'm nothing
All the ways they have to make me smile
And then they go and break meWait, I think I feel like hell
Though I can't be myself
And I can't be nobody else but if I could
Would you love me then?
Would you love me then?
Would you love me then?Look at me, I'm made of wonderful, it's terrible
I'm all easy come and easy go as far as you know
But underneath, man, I'm just killing time
I guess I'm past my prime and now
I'm overrated, overdressed, and overstatedWait, I think I feel like hell
Though I can't be myself
And I can't be nobody else but if I could
Would you love me then?
Would you love me then?
Would you love me then?If I put my hands up, put your hands up
If I fall down, if I lose my place
And I don't know just where I'm supposed to go
Or if you'll be there when I wake
Would you love me then?And I come home tired, and I come home late
Everybody wants me, so I give it away
I'm a wanted man, I'm a wanted man
I'm a wanted man, I'm a wanted manWould you love me then?
Would you love me then?
Would you love me then?
