

# Doin' It Right (Delta Mix)

Steve Azar

Yeah When I was 16 I knew everything  
Opportunity grew on trees  
I taste 'em, waste 'em  
And do it all again 10 feet tall, invincible  
I fell short on principle  
A rebellion, a hellion  
Yeah, that was me back then Burned by my mistakes  
A phoenix, I rose from the flames Now I'm doin' it right, I saw the light  
Sun came up in the middle of the night  
Been doin' it wrong for so long  
I sure oughta know what it finally feels like to be  
Doin' it, doin' it, doin' it, a doin' it right When this fool came tumblin' down  
180 degree turn around  
Revelation, salvation  
Made me what I am Every day I fight the war  
And each day I'm winnin' more, yeah 'Cause I'm doin' it right, I saw the light  
Sun came up in the middle of the night  
Been doin' it wrong for so long  
I sure oughta know what it finally feels like to be  
Doin' it, doin' it, doin' it, a doin' it right Every now and then I'm tempted  
I don't jump the fences, no I keep doin' it right, I saw the light  
Sun came up in the middle of the night  
Been doin' it wrong for so long  
I sure oughta know what it finally feels like to be  
Doin' it, doin' it, doin' it, a doin' it Doin' it right, I saw the light  
Sun came up in the middle of the night  
Been doin' it wrong for so long  
I sure oughta know what it finally feels like  
I sure oughta know what it finally feels like  
I sure oughta know what it finally feels like to be  
Doin' it, doin' it, doin' it, a doin' it right
