Get Away

Yuck

Break it down and then break it up again
Me and my guitar drowning down and down
Not even the pain kicks in
Tell me when the pain kicks inOh, I can't get away
Oh, I can't get away
Oh, I can't get away
Oh, I can't get awayPanoramic view, that's one thing I won't do
No shouted abuse from the corner of my mind
Not even the pain kicks in
Tell me when the pain kicks inOh, I can't get away
Oh, I can't get away
Oh, I can't get away
Oh, I can't get awaySummer sun says get out more
I need you, I want you
But I can't get this feeling off my mind
I want you, I need youI can't get away
I can't get away
I can't get away
Oh, I can't get awaySummer sun says get out more
I need you, I want you
But I can't get this feeling off my mind
I want you, I need youSummer sun says get out more
I need you, I want you
But I can't get this feeling off my mind
I want you, I need you
