

A Day Like This

SpongeBob SquarePants

I never thought that I would have a chance like this
What dreams exist as big as this one?
If happiness are patties frying on the grill,
I'll have my fill upon each fresh bun. Here's a day that couldn't get much better
It is the greatest that's ever been
It's so cool I oughta wear a sweater,
Just to hold on to that warm feelin' A miracle is something that you don't believe,
You will receive,
And then it happens
This is what I have to call a miracle:
My heart is full and toes are tappin' Here's a day that couldn't get much better
It is the greatest that's ever been
It's so cool I ought'a wear a sweater,
Just to hold on to that warm feelin' Sure, I know it's gonna take a lot of work
But here's the perk, I think I must say :
When you're doing something that you really love,
And so proud of, then work is like play Here's a day that couldn't get much better
It is the greatest that's ever been
It's so cool I ought'a wear a sweater,
Just to hold on to That warm feelin'
