Slow Motion

The Dells

Oh, I like it like that
Keep working that back
I don't know how to act
Slow motion for me
Slow motion for me
Slow motion for me
Move it slow motion for me

Oh, I like it like that
Keep working that back
I don't know how to act
Slow motion for me
Slow motion for me
Slow motion for me
Move it slow motion for me

Now there is no competition
Boy I'm a fucking magician
Abracadabra, now where'd your pants go?
Boy I've been sipping on juice
And now I'm stuck, on on, you
Turn around, stick it out
And shake that ass, hoe
Slow it down, you're moving too fast
My fingers keep slipping
And I'm trying to grip that ass
I'm trying to grip that ass
I'm trying to grip that ass
My fingers keep slipping
And I'm trying to grip that ass

Oh, I like it like that
Keep working that back
I don't know how to act
Slow motion for me
Slow motion for me
Slow motion for me
Move it slow motion for me

Oh, I like it like that

Keep working that back
I don't know how to act
Slow motion for me
Slow motion for me
Slow motion for me
Move it slow motion for me

[Three 6 Mafia:]
Slob on my knob like corn on the cob
I'm looking for a freak
Taking shots at the bar
They call me juicy Jay
Black as mother fucking tar
A straight hood nigga
I'm a mother fucking star
I'm trying to find a girl
That can take me to bed, alright
Unzip my pants and give me some head tonight
I'm gon' smack her on her ass
While she riding my ding a ling
I need a straight freak
That don't care about anything

[Kesha:]
Oh, I like it like that
Keep working that back
I don't know how to act
Slow motion for me
Slow motion for me
Slow motion for me
Move it slow motion for me

Oh, I like it like that
Keep working that back
I don't know how to act
Slow motion for me
Slow motion for me
Slow motion for me
Move it slow motion for me

[Three 6 Mafia:]
See, your girl wide
Get her wetter than a fish bowl
Soon as you see the bowl
You better move it forward

Move it with that ass like a super bowl
Follow it, then drop it down slow
Love it how you shaking like the north pole
Bend that ass over like a bank roll
Keep a strong ass hold like a flag pole
If anybody wants to call it you take hold

[Kesha:]
Oh, I like it like that
Keep working that back
I don't know how to act
Slow motion for me
Slow motion for me
Slow motion for me
Move it slow motion for me

Oh, I like it like that
Keep working that back
I don't know how to act
Slow motion for me
Slow motion for me
Slow motion for me
Move it slow motion for me
