Immortal

Coram Lethe

When I was little,
I used to walk across the streets with my eyes closed
to see if God existed,
and I never got hit
I danced along the edges of the rooftop,
to see if I would fall
and I never did
And for a moment,
I feel immortal
and I am not scared, I am not scared
I feel immortal
'Cause I know you were there,
I know you are there
E-eh, e-eh, e-eh,
e-eh, e-eh
No one around me,
believed in anything,
So how could I
expect them to believe and trust a girl?
I cried myself to sleep inside my bedroom,
and swear I'd never let them crush my world

And for a moment,
I feel immortal,
And I am not scared, I am not scared
And I feel immortal,
'Cause I know you were there
I know you are there
E-eh, e-eh,e-eh
Oooh
I felt like a flower,
trying to grow from the pavement
And they would walk all over me
I felt like a snowflake,
In the middle of the desert,
wishing I'd melt, so I could be free
And I feel immortal,
I am not scared, no, I am not scared
And I feel immortal,

'Cause I know you were there,
I know you are there
Eh-eh x11
I am not scared
