

# Murphy's Law

## The Kristin Berardi Band

Over and over I set myself up for a fall  
Dreaming the way, all in my head it goes on  
Thoughtful remarks are assured and he might kiss my cheek  
But all that remains only a part of a dream

As if part of Murphy's Law  
A result of Murphy's Law

Over and over I play all the parts of the score  
Sweet things he'll say to me, but this remains  
Only part of my imagination

As if part of Murphy's law  
A result of Murphy's law  
But who was Murphy anyway  
And why would he get in my head  
To know what I think  
And know what I like  
Just so he wont let it happen

It's so mush easier to blame it on the old boy  
At least that way it's not me they try to avoid

It's just 'cause of Murphy's Law  
Please say that it's Murphy's Law  
Murphy's law
