

# It's Alright

## Blue

Let me tell you 'bout a story that I heard  
'bout a guy that thought love was just a word  
And a girl that promised she would be there when he called  
He was always playing off the line  
Never knowing that she's reading all the signs  
Cos all she wants is...A man that's strong enough  
Really want a man that's man enough  
Only want a man that's true enough  
I can see your eyes are filling up  
All your really need is human touchBaby can't you see I'm feelin us, I'm feelin us  
Come on come on closer  
Babe I really wanna hold you  
If it's alright with you  
Then it's alright with me  
Come on I wanna feel ya  
Never ever gonna leave ya  
If it's alright with you  
Then it's alright with me  
It's alright  
It's alrightIt's alright  
Put your trust in me tonightWise words my father said to me  
Love a woman and her love you will receive  
Make a promise and swear you'll always be there when she callsLet her know that your love will never die  
Oh girl you got to realise  
You need a man who...  
A man that's strong enough  
Really want a man that's man enoughOnly want a man that's true enough  
I can see your eyes are filling up  
All your really need is human touch  
Baby can't you see I'm feelin us, I'm feelin usCome on come on closer  
Babe I really wanna hold you  
If it's alright with you  
Then it's alright with me  
Come on I wanna feel ya  
Never ever gonna leave ya  
If it's alright with you  
Then it's alright with me  
It's alright  
It's alrightIt's alright

It's alright  
It's alright  
It's alrightCome on come on closer  
Babe I really wanna hold you  
If it's alright with you  
Then it's alright with meCome on I wanna feel ya  
Never ever gonna leave ya  
If it's alright with you  
Then it's alright with me  
Come on come on closer  
Babe I really wanna hold you  
If it's alright with you  
Then it's alright with me  
Come on I wanna feel yaNever ever gonna leave ya  
If it's alright with you  
Then it's alright with meCome on come on closer  
Babe I really wanna hold you  
If it's alright with you  
Then it's alright with me  
Come on I wanna feel ya  
Never ever gonna leave ya
