

Fallin'

Connie Francis

I got the feelin' I'm fallin'
Like a star up in the blue
Like I was fallin' off Niagara
In a paddle boat canoe
I got the feelin' I'm a fallin'
And it's all because of you Like I was walkin' on a tight rope
Swingin' in the breeze
And though I tried to keep my balance
When I weaken in my knees
I got the feelin' I'm a fallin'
Lover, help me please Like a leaf falls from the branch
Like a rock from an avalanche
Like the rain on a stormy day
I never thought I'd fall this way I thought that love could never touch me
Yeah, I was ridin' high
And then my ivory tower toppled
And I tumbled from the sky
I got the feelin' that I'm fallin'
And you're the reason why Like Goliath when he met his foe
Like the walls of Jericho
Like Delilah's holy town
And Samson tore it down I thought that love could never touch me
Yeah, I was ridin' high
And then my ivory tower toppled
And I tumbled from the sky
I got the feelin' that I'm fallin'
And you're the reason why And you're the reason why
And you're the reason why
And you're the reason why
