## Fallin'

## **Connie Francis**

I got the feelin I'm fallin' Like a star up in the blue Like I was fallin' off Niagara In a paddle boat canoe I got the feelin' I'm a fallin' And it's all because of youLike I was walkin' on a tight rope Swingin' in the breeze And though I tried to keep my balance When I weaken in my knees I got the feelin' I'm a fallin' Lover, help me pleaseLike a leaf falls from the branch Like a rock from an avalanche Like the rain on a stormy day I never thought I'd fall this wayI thought that love could never touch me Yeah, I was ridin' high And then my ivory tower toppled And I tumbled from the sky I got the feelin' that I'm fallin' And you're the reason whyLike Goliath when he met his foe Like the walls of Jericho Like Delilah's holy town And Samson tore it downI thought that love could never touch me Yeah, I was ridin' high And then my ivory tower toppled And I tumbled from the sky I got the feelin' that I'm fallin' And you're the reason whyAnd you're the reason why And you're the reason why And you're the reason why
