Be There

The Pointer Sisters

If you stick with me, baby, I wont do you wrong
And we're gonna have some fun
We're so good together in this crazy world
Where you cant count on anyoneI'd climb any mountain just to set you free
I would swim the ocean, and you'd do the same for meGot no money lying in the bank
Got no banquet on my table, got no gas in my tank
When my life is laying on the line
And I'm saying my last prayer
I know you're gonna be there, be there(Ooh)
You know that you can lie to me, baby
I will understand
As long as in the end you tell the truth
Cause its give and its take
It's no piece of cake and I know what works with youYou don't need no doctor
You don't need no pills
You don't need some cozy friends
Running up your bills(Hey)
Got no money lying in the bank
Got no banquet on my table, got no gas in my tank
When my life is laying on the line
And I'm saying my last prayer
I know you're gonna be there, be thereBah boom, bah boom, bah boom, bah
Bah boom, bah boom, bah boom, bah(Hey, hey)
Drive my Continental, jam it to the floor
Wear my best clothes out at night
Now just give you more(Oh)
Got no money lying in the bank
Got no banquet on my table got no gas in my tank
With my life were laying on the line
And Im saying my last prayer
I know youre gonna be there, be there(Oh)
Got no money lying in the bank
Got no banquet on my table got no gas in my tank
With my life were laying on the line
And Im saying my last prayer
I know youre gonna be there, be there(Oh)
Got no money lying in the bank
Got no banquet on my table got no gas in my tank
When my life is laying on the line

And I'm saying my last prayer
I know you're gonna be there, be there
