

# Sumthin' Wicked This Way Comes

Tlc

Remember back in da time when da only sign we had was picket  
But now in '94 it be this way somethin' come wicked  
Gangs killin' others fo colors, thangs that we wear fo fashion  
Other brothers take it fo a reason to be blastin'  
What da kcuf is goin' on, not soft like buttercups  
But had enough of singin' dat same song  
See I stayed across da street from da projects  
Took out yo momma trash and groceries  
To her trunk to keep my pockets  
Fat like cellulite only been to jail one week  
Fo some shullbit and I pray to God I won't repeat  
I shoulda pulled it when I had da chance to  
No I shouldna did dat 'cause if I did dat  
Y'all would not hear dat fat shit  
Dat keeps you on yo tippy  
Toes like dat sellout not callin' no names, but really who's bad?  
I go through obstacles like a whole box of condoms  
You can't forget where you come from  
Take a good look in the mirror and tell me do you like what you see  
Masters of deception corruption and evil  
But your always quick to point the finger at me  
Won't somebody tell me?  
I just don't understand the ways of the world today  
Sometimes I feel like there's nothing to live for  
So I'm longing for the days of yesterday  
What gave you the right to misjudge me?  
And write me off on the wall  
Acting as if you understand me  
In reality you just don't know me at all  
Sometimes I can't help but wonder if this was how it's meant to be  
But if you search deep enough in your soul  
You'll always find a slight reminder of me  
Won't somebody tell me?  
I just don't understand the ways of the world today  
Sometimes I feel like there's nothing to live for  
So I'm longing for the days of yesterday  
A-yo, if we could all agree to lettin' our souls become free  
Of that sweet bitterness then whose chest would have the most seeds?  
I keep misfocusin' my needs and this stress on my back

With them caps they be blastin' into my knapsack  
Ain't no accidental deathtraps  
My mishap is the fact that I'm destined to snap  
It's when I feel as though my body's able to go  
My mind is ready to flow  
Did you know first you catch and then I throw? It's my own sense of time  
If I'm late it's 'cause I'm endin' my day just when the sun shines  
And still gently advising the arisin' of the moon  
As it rolls around into my soundproof dimension  
I just don't understand the ways of the world today  
Sometimes I feel like there's nothing to live for  
So I'm longing for the days of yesterday  
I just don't understand the ways of the world today  
Sometimes I feel like there's nothing to live for  
So I'm longing for the days of yesterday
