All Night Long

Tammy Wynette

Move closer to me, don't slip out of my arms
My emotions tonight are so strong
You say I'm your woman all through the day
Then leave me alone all night longWhen I'm in your arms, I'm too weak to be strong
Whatever we do can't be wrong
Don't tell me you love me all through the day
Then leave me alone all night longMove closer, let me feel the touch of your lips
You've made me so weak for so long
Don't tell me you love me all through the day
Then leave me alone all night longWhen I'm in your arms, I'm too weak to be strong
Whatever we do can't be wrong
Don't tell me you love me all through the day
Then leave me alone all night long
