All I Am

Phil Wickham

All I am is a nobody tellin' somebody about You
What You've done for me, yeah
And how I?m grateful that You?re faithful
And You are protection and direction for me
You purchased all my liberty
All I am, a heart for You
All I am, available
All I am, desperate for You
All I am, in love with You
That?s why I sing, and raise my hands
You?re the King of all I am
And I pray that You would accept my worship

'Cause I, 'cause I only live and breathe to praise You
All I am, a heart for You
All I am, available
All I am, desperate for You
All I am, in love with You
All I am
All I am, I'm available to You, Lord
All I am
All I am, in love with You
All I am
