

Ghost Town

Shiny Toy Guns

Everyone living in ghost town
Everyone buried in waste land
We don't want to
We don't have to be like that
Living in ghost town All the boys shout it out loud now
All the girls scream it out louder
We don't want to
We don't have to live like that Hold me back
You know we're never gonna back down
Hold me back
You know we're never gonna back down We're dead in this ghost town
You better let go, so let go, let go of me
We're dead in this ghost town
You better let go, so let go, let go of me
Let go, let go of me, let go, let go of me Everyone living in ghost town
Everyone buried in waste land
We don't want to
We don't have to be like that
Living in ghost town All the boys shout it out loud now
All the girls scream it out louder
We don't want to
We don't have to live like that Hold me back
You know we're never gonna back down
Hold me back
You know we're never gonna back down We're dead in this ghost town
You better let go, so let go, let go of me
We're dead in this ghost town
You better let go, so let go, let go of me
Let go, let go of me, let go, let go of me It's getting colder, the last train is here
And it's leaving behind those here
These are the bad lands, the worst place to fear
Making place for the ones we left here
They're calling, calling to say goodbye We're dead in this ghost town
You better let go, so let go, let go of me
We're dead in this ghost town
You better let go, so let go, let go of me
Let go, let go of me, let go, let go of me
