

All At Once You Love Her

Perry Como

All at once you know
All at once you know
You start to light her cigarette
And all at once you love her
You've scarcely talked, you've scarcely met
But all at once you love her
You like her eyes, you tell her so
She thinks you're wise and clever
You kiss goodnight and then you know
You'll kiss goodnight forever
You wonder where your heart can go
Then all at once you know
All at once you know
You like her eyes
(Like her eyes)
You tell her so
(Tell her so)
She thinks you're wise and clever
(You're wise an' clever)
You kiss goodnight and then you know
You'll kiss goodnight forever
You wonder where your heart can go
Then all at once you know
All at once you know
