

# Look What We'd Have (If You Were Mine)

Tevin Campbell

All I want to do is please you. baby for you I'll go that extra mile. give you  
The shirt off my back if I need to. girl I'll do anything to make you mine, I  
Promise I wil never leave you. I'll be your night n shining armor your guarding  
Light. you need someone to trust with your feeling. I'll make it so your tender  
Heart and make it right Look what we have if you were mine (oh baby)

Look what we have

Look what we have if you were mine (oh yeah)

Look at the things we have (ohhh oh ah) Oh baby I will write you love letters every day because I don't want  
you to

Forget. how much I love you cause I don't want you having any thoughts and no

Regrets Look what we have if you were mine (oh baby)

Look what we have

Look what we have if you were mine (oh yeah)

Look at the things we have (ohhh oh ah) Ohhh baby

We could be so happy baby

Ohh in love

Now let tell what I'm gonna do for you baby

And you would have

Lots of money

And you would have

Lots of jewelry

And you would have

A brand new car let me ride inside your love

And you would have

All of me

I need to have

All of you

I need to know baby why don't you get with me I can give you anything you want

Baby

(Anything you want)

Oh baby

Oh baby

Anything you want ohhhh heyyy ohh baby Look what we have

Look what we have if only you were mine all mine all mine all mine baby

I can give you anything you want baby

Loook whaaat we have

Look what we have
