Bombed (Out Of My Mind)

Backyard Babies

I don 't care what you say 'cause I 'm born to lose
And I don 't give a damn if I 'm a fool for you
Uh! Look out!All messed up this time 'cause I 've been walking round with myself
I 'm just a dead end cruiser didn 't mind to use it
Now it 's happened to me all over againSomewhere deep inside there 's a neon sign
Tells me where to ride, man
When I 'm bombed out of my mindI was desperate for a place to put out my cigarette
I found love in the nick of time
And that is something that I really don 't have
I don 't care if I live or die, manYou want to come with me
You want to ride with me
You want to blow this town
'Cause I ain't got time to show youAll my secrets are buried down here
And I will show them if you want me to
A white night space rocket in sight
It 's so beautiful with valleys and heightsSomewhere deep inside there 's a neon sign
Tells me where to ride, man
When I 'm bombed out of my mindI was desperate for a place to put out my cigarette
I found love in the nick of timeI was desperate for a place to put out my cigarette
I found love in the nick of time
And that is something that I really don 't have
I don 't care if I live or die, man
