ALL AGAIN

susquatch

Oh no, here we are
Can't believe the timing
Yesterday you're smiling
I guess we both played our parts
Very entertaining
But it's such a shame
That we lost our way
From the nights we danced
The bands were playing
I say I'm over you
But I'm not sure that it's trueI am falling
And I'm too weak to fly
Now my heart's wide open
And you're the reason why
I've been broken
From the scars that I forgave
Spent a long time running
From the mess we've made
And oh
But I'd do it all againCome on, heart let me in
Days can be so bright
And our way can be alight
And we both know
So don't pretend
Makes it all so hard
When I see that we're far from
The way we were
Oh the nights we danced
The bands were playing
I say I'm over you
But I know that's not true'Cause I am falling
And I'm too weak to fly
Now my heart's wide open
And you're the reason why
I've been broken
From the scars that I forgave
I spent a long time running
From the mess we've made
And ohIf I found a way just to hit rewind

Would it be enough to change your mind
And this time I'll make you stay
And I remember how we used to be
Giving you up ain't so easy
But since you walked awayI am falling
And I'm too weak to fly
Now my heart's wide open
And you're the reason why
I've been broken
From the scars that I forgave
I spent a long time running
But I know
I'd do it all againI am falling
And I'm too weak to fly
Now my heart's wide open
And you're the reason why
I've been broken
From the scars that I forgave
I spent a long time running
From the mess we've made
And oh
But I'd do it all again
