

Definition of a Woman

[Dave Hollister](#)

Oh, tenderness
This is number one on the list
Had her eating out of palm
She's sweet and calm
Good God the storm that's inside you
Wouldn't lie to you
That's the definition of a woman, a woman
Then she'll bring you to your knees
She can bring you everything you need
Help you succeed
Take you from a boy and turn you into a man
That's the definition of a woman, a woman
Turn the page on every page there's a picture of us
If you look under love, by us it's definition, baby, definitely
That's we, the perfect definition of L.O.V.E
Turn the page on every page there's a picture of us
If you look under love, by us it's definition, baby, definitely
That's we, the perfect definition of L.O.V.E
