Roses and Violets

Alexander Jean

There's something on my mind
There's something on my mind
You're miles away, but your heart feels close by
The sun is in my eyes
The sun is in my eyes
They say love is blind, but with you

Roses are red
Violets are blue
I know I'm ment
To be with you
You-ou

Love is not enough
Why can't love just be enough
Right when it's good, time it messes it up
Please don't let me go
When we come and go
Distance can help hearts to grow

Roses are red
Violets are blue
I know I'm ment
To be with you
You-ou

Days are getting longer
The nights are feeling colder
When we are locked together
I'm falling apart
Cause all I wanna do
And all I need is you
Baby, you may be somewhere else too far from me
Come home soon
Ooo-oo

There's something on my mind
There's something on my mind
You're miles away, I'm so sick of goodbye

Roses are red
Violets are blue
One day I'm ment
To be with you
You-ou

Roses are red
Violets are blue
One day I'm ment
To be with you
You-ou
