Given It All

Hayley Kiyoko

If we make it
On a tightrope
I'm not falling
I'm not crawlingYou can't blame me
Not for trying
I'm not foolish
I will get youTear the walls down
Don't be stupid
Meet me halfway to your heartLet the sun rise
When its starting
And I'll break you
Till I breakthroughReff:
I've given it all to you
I've given it all to you
I've given it all to you
I've given it all to youI've given it all to you
I've given it all to you
I've given it all to you
I've given it all to you(It's got me) Closer
To the water
We should set sail
To the borderTear the walls down
Don't be stupid
Meet me halfway to your heartLet the sun rise
When it's starting
And I'll break you
Till I break through(Reff)
It's got me
Let the sun rise
When it's starting
Let the sun rise
When it's startingYou can't blame me
Not for trying
I'm not foolish
I will get you(x2)
Let the sunrise
When its starting
And I'll break you
Till I break through(Reff)(It's got me)

I've given it all to you
I've given it all to you
I've given it all to you
I've given it all to you(It's got me)
I've given it all to you
(Let the sun rise)
I've given it all to you
(When it's starting)
I've given it all to you
(Then i'll break you)
I've given it all to you
(Till i break through)
