

# Never a Day Goes By (Acoustic Version)

[Jennifer Love Hewitt](#)

Yea, babe  
Never a day  
Never  
Umm, umm  
Never a day Even though we're heart to heart  
I know you wonder when we part  
Do I start to lose my desire for you?  
Will tomorrow be like tonight?  
Will I always treat you right?  
Will love go on forever? Well  
Never a day goes by  
Not a night that I  
Could live my life without you  
Never a day goes by  
There's no time that I  
Can ever forget what you mean to me  
Never a day goes by  
When you're not on my mind  
Never I see the doubt, there in your eyes  
You wonder if I realize  
There'll come a time when I'll be tired of you  
You say attraction's temporary  
This passion, momentary  
And that won't keep us together  
Well, baby Never a day goes by  
Not a night that I  
Could live my life without you  
Never a day goes by  
There's no time that I  
Can ever forget what you mean to me  
It's the purest affection could ever be  
Never a day goes by  
When you're not on my mind  
On my mind Every day and every night that comes  
I want to be in your arms  
'Cause what I say is true  
This love is for you, ahh hey yea  
All for you  
I want this love to go on forever Never a day goes by

(Oh, never)  
Not a night that I  
Could live my life without you  
(Could live my life)  
(Never without you)  
Never a day goes by  
There's no time when I  
Can ever forget what you mean to me  
It's the purest affection could ever be  
Never a day goes by  
When you're not on my mind  
Never, hoo, hoo  
(Never a day goes by)  
You're not on my mind  
(Never a day goes by)  
When you're not on my mind  
(Never a day)  
Oh, no  
(Goes by)(Never a day goes by)  
Never a day goes by  
Never a day goes by  
When you're not on my mind  
When you're not on my mind  
(Never a day goes by)  
Never a day goes by  
It's the time that I  
That I can't live without you  
(Never a day goes by)Never a day goes by  
Never a day goes by  
When you're not on my mind  
There'll be no time that I  
(Never a day)  
There'll be no time that I don't know  
(Goes by)  
Ever live my life without you  
Never, yea
