

# Too Soon to Know

**Eddy Arnold**

It's too soon to know if I can forget her  
My heart's been broken into many pieces  
And it's too soon to know Time passes slow will I ever know  
If I can forget her and not let her show  
But it's too soon to know News travels fast when a love affair ends  
People keep asking what happened to them But it's too soon to know...  
My heart's been broken into many pieces  
And it's too soon to know
