

Bottle of Red Wine

[Eric Clapton](#)

Get up, get your man a bottle of red wine
Get up, get your man a bottle of red wine
I can't get up out of bed
With this crazy feeling in my head
Get up, get your man a bottle of red wine Get up, get your man a bottle of red wine
Get up, get your man a bottle of red wine
What I say?
I'm gonna love you anyway
I said get up, get your man a bottle of red wine I went to an all-night get together
And everyone I knew was there
Had the love that would last forever, oh yeah
Everywhere I looked, I saw you standing there, there, there Get up, get your man a bottle of red wine
Get up, get your man a bottle of red wine
Get you out of bed
With this crazy feeling in my head
I said get up right now, right now, right now
I said get up right now, right now, right now
