

Rockin' All Over the World

Carl Wilson

Well, hurry up, hurry up, here we go
All aboard because we're hittin' the road
Here we go, rockin' all over the world Gitty up, gitty up, get away
Were going crazy and we're goin' today
Here we go, rockin' all over the world Well, I like it, I like it, I like it
Here we go Gonna tell your mama
What your daddy do
Come out tonight with your dancin' shoes
Here we go, rockin' all over the world
