Photograph

Ed Sheeran

Loving can hurt
Loving can hurt sometimes
But it's the only thing
That I knowAnd when it gets hard
You know it can get hard sometimes
It is the only thing that makes us feel aliveWe keep this love in a photograph
We make these memories for ourselves
Where our eyes are never closing
Hearts are never broken
And time's forever frozen stillSo you can keep me
Inside the pocket
Of your ripped jeans
Holdin' me closer
Til our eyes meet
You won't ever be alone
Wait for me to come homeLoving can heal
Loving can mend your soul
And is the only thing
That I know (know)
I swear it will get easier
Remember that with every piece of ya
And it's the only thing we take with us when we dieWe keep this love in a photograph
We make these memories for ourselves
Where our eyes are never closing
Our hearts were never broken
And times forever frozen still
So you can keep me
Inside the pocket
Of your ripped jeans
Holdin' me closer
Till our eyes meet
You won't ever be aloneAnd if you hurt me
Well that's ok baby only words bleed
Inside these pages you just hold me
And I won't ever let you goWait for me to come home
Wait for me to come home
Wait for me to come home
Wait for me to come homeOh you can fit me
Inside the necklace you got when you were 16

Next to your heartbeat
Where I should be
Keep it deep within your soulAnd if you hurt me
Well that's ok baby only words bleed
Inside these pages you just hold me
And I won't ever let you goWhen I'm away
I will remember how you kissed me
Under the lamppost
Back on 6th street
Hearing you whisper through the phone
Wait for me to come home
