

Light Up the World

[Shaindel Antelis](#)

every day is a mystery and every night is filled with uncertainty and all the odds are going against us but we have the almighty fighting for us (chorus)light up the world light up the world we've been in darkness for to long now it's time to great the sun light up the world light up the world greatness is knocking at your door don't ignore it anymore anymore sometimes i wonder why things happen in my life does g-d really want me to succeed succeed i guess that growing doesn't always feel good you gotta break through if you want to be free (chorus) there's a whole world waiting for you soon your gonna figure out what to choose all you gotta do is a little bit g-d is gonna help you with the rest of it (chorus) twice
