Vow

Bolus

I can't use what I can't abuse
And I can't stop when it comes to you
You burned me out but I'm back at your door
Like Joan of Arc coming back for moreI nearly died
I nearly died
I nearly diedI came to knock you up, I came to cut you down
I came around to tear your little world apart
I came to rip you up, I came to shut you down
I came around to tear your little world apart
And break your soul apartAh, you burn and burn to get under my skin
You've gone too far now, I won't give in
You crucify me but I'm back in your bed
Like Jesus Christ coming back from the deadI nearly died
I nearly died
I nearly diedI came to knock you up, I came to cut you down
I came around to tear your little world apart
I came to rip you up, I came to shut you down
I came around to tear your little world apart
And break your soul apartI nearly died
Oh, I nearly died
I nearly diedI came to cut you down, I came to knock you up
I came around to tear your little world apart
I came to shut you down, I came to rip you up
I came around to tear your little world apart
And break your soul apartTear your little world apart
Tear your little world apart
And break your soul apartI can't stop when it comes to you
I can't stop when it comes to you
When it comes to you
When it comes to you
