

# Vow

## Bolus

I can't use what I can't abuse  
And I can't stop when it comes to you  
You burned me out but I'm back at your door  
Like Joan of Arc coming back for more I nearly died  
I nearly died  
I nearly died I came to knock you up, I came to cut you down  
I came around to tear your little world apart  
I came to rip you up, I came to shut you down  
I came around to tear your little world apart  
And break your soul apart Ah, you burn and burn to get under my skin  
You've gone too far now, I won't give in  
You crucify me but I'm back in your bed  
Like Jesus Christ coming back from the dead I nearly died  
I nearly died  
I nearly died I came to knock you up, I came to cut you down  
I came around to tear your little world apart  
I came to rip you up, I came to shut you down  
I came around to tear your little world apart  
And break your soul apart I nearly died  
Oh, I nearly died  
I nearly died I came to cut you down, I came to knock you up  
I came around to tear your little world apart  
I came to shut you down, I came to rip you up  
I came around to tear your little world apart  
And break your soul apart Tear your little world apart  
Tear your little world apart  
And break your soul apart I can't stop when it comes to you  
I can't stop when it comes to you  
When it comes to you  
When it comes to you
