

# Lady Grey

## Katzenjammer

Lady Grey, you tell a smile  
What is your secret, what's your lie?  
You lived a long, hard life  
Your memory may fade, but you're still wise  
I wonder where you've been  
What you've accomplished, what you've seen  
In such a long, hard life  
Did you ever dance, were you someone's wife? Take me, take me away  
Way back to the days when you were  
Crazy, crazy for living  
Oh, sweet twenty-nine  
And you looked fine  
And you looked fine Lady Grey, dressed up so nice  
Where do you go when you close your eyes?  
Do you hear the words I say  
And can you remember yesterday?  
What do you comprehend?  
Can you even feel me in your hand?  
Lady Grey, with your knockout smile  
Hoping you feel it was worth the while Take me, take me away  
Way back to the days when you were  
Crazy, crazy for living  
Oh, sweet twenty-nine  
And you looked fine  
And you looked fine Lady Grey, no doubt that time  
Has withered your hands, but still your smile  
Is as sparkling as way back when  
You broke the hearts of all young men  
Lady Grey, when I see you now  
Sick in your bed, but still you smile  
When you hear the music play  
Wonder how it would be if you could Take me, take me away  
Way back to the days when you were  
Crazy, crazy for living  
Oh, sweet twenty-nine  
And you looked fine  
And you looked fine Take me, take me away  
Way back to the days when you were  
Crazy, crazy for living

Oh, sweet twenty-nine  
And you looked fine  
And you looked fineMy Lady Grey
