## Big Daddy Weave

Broken and poured out for the love of His creation  
God paid a debt that He didn't owe  
Bearing my pain for not one was His equal  
And wearing my shame so that I could know him He gave us all He had to give  
So that we could truly live  
So let's give all we have to Him  
So that we can be completely free And as they placed the thorns on His brow  
As they drove the nails into His hands and His feet  
He looked past the moment  
To where we are now  
And gave us the victory  
From what seemed His defeat He said here's my body  
It's broken in two  
Here is my blood let it cover you  
All that I have is now yours to receive  
Payment in full so that you could be free
