King of Somewhere Hot

By: Jimmy Buffett, Ralph MacDonald, William Salter, Robert Greenidge

1988

Robert Greenidge and Ralph MacDonald finally got me to Trinidad and when I heard the Desperados playing my song up on Laventhill I felt like a King and it was Hot.

I've travelled all around the world

And there are places that still stand out to me

None can really quite compare

To my island in the sea My personal utopia

A place to run to where I can hide away

Where I can truly reign supreme

Somewhere fresh and clean where a man can dream

Chorus:

I'm king, (king) king of somewhere hot

I'm king, (king) like every man should be

I'm king, (king) king of somewhere hot

Where the music in my soul (music in my soul)

Makes me start to lose control (start to lose control)

And I'll melt right on the spot

I'm the king of somewhere hot (hot)

King of somewhere hot (hot)

King of somewhere hot (hot)

King of somewhere hot (hot) Now you just rent yourself a tile and dance the night away

Just like the locals do

A million miles from Robin Leach, life is just a beach

So far out of reach

Chorus:

I'm king, (king) king of somewhere hot

I'm king, (king) like every man should be

I'm king, (king) king of somewhere hot

Where the music in my soul (music in my soul)

Makes me start to lose control (start to lose control)

And I'll melt right on the spot

I'm the king of somewhere hot (hot)

King of somewhere hot (hot)

King of somewhere hot (hot)

King of somewhere hot (hot)

So hot! (pan solo) Some day I hope to find my queen I know she'll come my way

I'll give her all my love

It's not a complicated thing someplace I can swing
Where a man can be a kingChorus:
I'm king, (king) king of somewhere hot
I'm king, (king) like every man should be
I'm king, (king) king of somewhere hot
I don't care how hard you look (don't care how hard you look)
Ooh you won't find me in the book (won't find me in the book)
'Cause I'm here right on the spot
Oh! I'm the king of somewhere hot (hot)
King of somewhere hot (to trot)
King of somewhere hot (hot)
Hot to trot
King of somewhere hot (to trot)
(King of somewhere hot)
