

Saathia

Omar Mukhtar

Ek pyaar ki nadiya mein
Ek panchi tha
Us ke us nadan dil mein koi rehta tha
Jo raat k andhero mein jugnon ki trha
Apne orr us ko bulata tha
Woh raat ka banjara hai subho ka woh hai tara
Har sans mein chaya hai
Meri rooh mein samaya hai
Chup ke se tu a ja re
Mujhe hathon mein ly ly
Ankhon ki zuban se mere dil mein ras ghole
O sathiaaaa
O ranjhanaaaaa
Teri galiyon mein phirta hun ho kr mein dewana
Yeh ankh jo bekhi jaye
Dekhun use to sharmaye
Aaja tu meri bahon mein aa duniya bhool jaein
Tere honth jo chu jay to sans ye tham jaye
Ni jeene meine tere bina
Aa mujh ko tu apna le

Us ki khushi mein mujh ko apni khushi mily
Us k gham mein mujh ko gham mile
Bs kho jaon us ki ankhon mein
Han raat din mein rahon us k khyalon mein
Na soraj na chand us se pyara hai
Jahan mein khud ko kholo us waha ko paya hai
Han din ho ya raat yera hi saya
Hai meine to is jewan mein ab tujh ko paya hai
O sathiaaaa
O ranjhanaaaaaa
Teri galiyon mein phirta hun ho kr mein deewana
Yeh ankh jo bekhi jaye
Dekhun use to sharmaye
Aaja tu meri bahon mein aa dunia bhool jaein
Tere honth jo chu jay to sans ye tham jaye
Ni jeene meine tere bina
Aa mujh ko tu apna le
