Karma

Brielle Lesley

Karma,Karma
What happens to a person happens because they caused it with their actions
Karma is not about punishment or reward
Karma is about all that person has done, is doing and will do.
Karma is a reflection of you

CHORUS:
I just hopes she breaks your heart, for all the times that you broke mine
I just pray it hurts so bad, for all the things that you said that you can't take back.
I just hopes she breaks you down, for taking my love for granted
And introduce the winner of the game.
Her name is KARMA.Yeah!

VERSE 1:
Started out real good I never loved so hard, the way that I loved you couldn't nothing tear us apart, but you didn't love me the way that I loved you
I Gave you all of me, I gave you everything.
But nothing was good enough for you
I damn near lost my mind from all you put me through
They say that love ain't suppose to hurt, but you gone hurt I promise.

CHORUS:
I just hopes she breaks your heart, for all the times that you broke mine
I just pray it hurts so bad, for all the things that you said that you can't take back.
I just hopes she breaks you down, for taking my love for granted
And introduce the winner of the game.
Her name is KARMA.

VERSE 2:
I heard you found someone new, and you've given her everything that I wanted
It's not fair cause I was there
I held you down I stuck around
For another girl to walk in a better pair of shoes
But see that bitch ain't gone love you like I do
I had ya back but she gone get you back I promise

CHORUS:
I just hopes she breaks your heart, for all the times that you broke mine
I just pray it hurts so bad, for all the things that you said that you can't take back.
I just hopes she breaks you down, for taking my love for granted

And introduce the winner of the game.
Her name is KARMA.

VERSE 3:
I tried over and over and over to make it work, but it takes two of us ain't gone work
But when a woman's fed up there is nothing nothing nothing you can do about it.

CHORUS:
I just hopes she breaks your heart, for all the times that you broke mine
I just pray it hurts so bad, for all the things that you said that you can't take back.
I just hopes she breaks you down, for taking my love for granted
And introduce the winner of the game.
Her name is KARMA.
