How did it start? Well I don't know
I just feel the craving
I see the flesh and it smells fresh
And it's just there for the taking These little girls, they make me
Feel so goddamn exhilarated
I fill them up, I can't give it up to me
I'm just erasing I tell my lies, and I despise
Every second I'm with you
So I run away and you still stay
So what the fuck is with you? Your feelings, I can't help but rape them
I'm sorry, I don't feel the same
My heart inside is constantly hating
I'm sorry, I just throw you away I don't know why I'm so fucking cold
I don't know why it hurts me
All I wanna do is get with you
And make the pain go away Why do I have a conscience?
All it does is fuck with me
Why do I have this torment?
All I wanna do is fuck it away I tell my lies, and I despise
Every second I'm with you
So I run away and you still stay
So what the fuck is with you? And your feelings, I can't help but rape them
And I'm sorry, I don't feel the same
My heart inside is constantly hating
I'm sorry, I just throw you away I tell my lies, and I despise
Every second I'm with you
So I run away and you still stay
So what the fuck is with you? Your feelings, I can't help but rape them
I'm sorry, I don't feel the same
My heart inside is constantly hating
I'm sorry, I just throw you away Just throw you away
Just throw you away
Just throw you away
Just throw you away
