Korn

How did it start? Well I don't know

I just feel the craving

I see the flesh and it smells fresh

And it's just there for the taking These little girls, they make me

Feel so goddamn exhilarated

I fill them up, I can't give it up to me

I'm just erasingI tell my lies, and I despise

Every second I'm with you

So I run away and you still stay

So what the fuck is with you? Your feelings, I can't help but rape them

I'm sorry, I don't feel the same

My heart inside is constantly hating

I'm sorry, I just throw you awayI don't know why I'm so fucking cold

I don't know why it hurts me

All I wanna do is get with you

And make the pain go awayWhy do I have a conscience?

All it does is fuck with me

Why do I have this torment?

All I wanna do is fuck it awayI tell my lies, and I despise

Every second I'm with you

So I run away and you still stay

So what the fuck is with you? And your feelings, I can't help but rape them

And I'm sorry, I don't feel the same

My heart inside is constantly hating

I'm sorry, I just throw you awayI tell my lies, and I despise

Every second I'm with you

So I run away and you still stay

So what the fuck is with you? Your feelings, I can't help but rape them

I'm sorry, I don't feel the same

My heart inside is constantly hating

I'm sorry, I just throw you awayJust throw you away

Just throw you away

Just throw you away

Just throw you away
