

# One Shot 2 Shot

Eminem

I told ya'll mothafuckas I was comin' back

(Oh shit)

What now nigga, what now?

(What are you doin'?)

What?

Proof, the projects, nigga One shot, two shot, three shots, four shots, all I hear is gunshots

This is where the fun stops, bodies drop, hit the floor, music's off

Party stops, everybody hit the door, somebody's lickin' shots off Security's gone I'm dropped in the club

And I'm tryna run and get my muthafuckin' gun

(Nigga, what about your wife?)

Nigga fuck my wife, I'm tryin' ta run and save my muthafuckin' life

Oh shit, the shooter's comin' Bitches hollerin', niggas runnin', people shot all over the floor

And I'm tryin' ta make it to the St. Andrew's door

That's the sound of the glock

Even DJ House fucked around and got shot

I done messed around and forgot my tec

I don't see nobody but Fab Five and Hex (Kuniva you awright)

These niggas is trippin'

(Where's Bizarre at?)

I'm tryna slip through the exit and get to where my car is at

Bitches screamin' everywhere and niggas is wildin'

Two minutes ago we was all jokin' and smilin' This chick is clingin' onto me sobbin' and sighin'

Sayin' she didn't mean to diss me earlier and she cryin'

But it's real and it's on and cats is gettin' killed

So I hugged her and used her body as a human shield

And she got hit now she's yellin'

(Don't leave me) I told her I'd be right back and the dumb bitch believed me

I squeezed through the back door and made my escape

I ran and got my 38, I hope it's not too late One shot, two shot, three shots, four shots, all I hear is gunshots

This is where the fun stops, bodies drop, hit the floor, music's off

Party stops, everybody hit the door, somebody's lickin' shots off (I been tryna call you all day, mothafucka,

where you at?)

I'm on seven mile, what the fuck was that

Damn somebody hit me from the back

(With they car?)

With a gat nigga and my tire flat

And I just hit a pole, them niggas some hoes (Is you hit?)

I don't know but I can tell you what they drove

It was a black Mitsubishi

(Shit, that's the clique we beefin' wit)  
Man and I was on my way there Believe me I'm leavin' a caucus today  
I'ma park my car and walk the rest of the way  
I'm in the mood to strut, my AK ain't even tucked  
I'ma meet you at the club, we gon' fuck these hoes up One shot, two shot, three shots, four shots, all I hear is  
gunshots  
This is where the fun stops, bodies drop, hit the floor, music's off  
Party stops, everybody hit the door, somebody's lickin' shots off I never seen no shit like this is my life before  
People are still camped out from the night before  
Sleepin' outside the door waitin' in line  
Still tryna get inside the club to see D12 perform The fire marshalls know, the venue's too small  
People are wall to wall, three thousand and some odd fans  
And some cum-wad from out the parkin' lot  
Gets in an argument over a parkin' spot  
Decides to pull his gun out and let's a few of 'em off Missed who he's aimin' for six feet away's the door  
Into St. Andrew's hall, now the strays flyin' all over the place  
Sprays one bitch in the face, another one of 'em came through the wall  
Before anyone could even hear the first shot go off I'm posted up at the bar havin' a mazel tov  
Bullet wizzed right by my ear damn near shot it off  
Thank God I'm alive, I gotta find Denaun  
And where the fuck is Von, he usually tucks one on him Wait a minute I think I just saw Bizarre  
No, I guess not, what the fuck, oh my God it was  
I never saw him run so fast in my life  
Look at him haulin' ass, I think he left his wife There she is on the ground bein' trampled  
I go to grab her up by the damn hand but I can't pull her  
Goddamn, there just went another damn bullet, I'm hit  
My vest is barely able to handle it, it's too thin  
If I get hit again I can't do it, I scoop deep  
Follow Bizarre's path ran through it And made it to the front door and collapsed on the steps  
Looked up and I seen Swift shootin' it out  
But I can't see who he's shootin' it out with  
But Denaun's right behind him squeezin' his four fifth One shot, two shot, three shots, four shots, all I hear is  
gunshots  
This is where the fun stops, bodies drop, hit the floor, music's off  
Party stops, everybody hit the door, somebody's lickin' shots off It's Friday night came to this bitch, right  
Big ass to my left and Desert Eagle to my right  
I ain't come in this bitch to party, I came in this bitch to fight  
Although I can't stay here to fight 'cuz I'm poppin' niggas tonight That's right bitches I'm drunk with revenge  
Shot a bouncer in the neck for tryna check when I get in  
Swift told me to meet him here so it's clear that the schmuck that  
Shot out the back of his truck is up in this mothafucka So one shot for the money, two's to stop the show  
Third's for the bartender  
(There's plenty of shots to go)  
(I just wanna know who's drivin' a black Mitsubishi)  
He tried to run so Proof shot him in the knee wit a three piece One shot, two shot, three shots, four shots, all I

hear is gunshots

This is where the fun stops, bodies drop, hit the floor, music's off  
Party stops, everybody hit the door, somebody's lickin' shots off
