

Better Things

[Dar Williams](#)

Here's wishing you the bluest sky
And hoping something better comes tomorrow
Hoping all the verses rhyme and the very best of choruses to
Follow all the doubt and sadness
I know that better things are on their way
Here's hoping that the days ahead
Won't be as bitter as the ones behind you
Be an optimist instead and somehow happiness will find you
Forget what happened yesterday
I know that better things are on their way
It's really good to see you rocking out and having fun
Living like you've just begun accept your life and what it brings
I hope tomorrow you find better things
I hope tomorrow you'll find better things
Here's wishing you the bluest sky
And hoping something better comes tomorrow
Hoping all the verses rhyme and the very best of choruses to
Follow all the drudge and sadness
I know that better things are on the way
I know you've got a lot of good things happening up ahead
The past is gone, it's all been said so here's to what the future brings
I know tomorrow you'll find better things
I know tomorrow you'll find better things
I know tomorrow you'll find better things
I know tomorrow you'll find better things
