Cryin Out for Me

ballin

its the remix baby!
(Lil wayne)
so i met this shawty the other day
i got her number
called her up like what you doin
she say nuthin
i say whats good she say not much
i said guess what she say whats up
i say i think we should hook up
she say ugh i said what
she said but i siad but why you stuck
she saifd Fuck! i said who
she said not you
i said then who she say you know
i know what
you know who
i said i do
she said you do
i said i do but i really dont
cuz its you that i really want and we could do whatcha really want
and girl we ballin
if he aint gone treat you right then i aint go treat you wrong
and thats my word she heard so many lies
she dont know whats true or not
shawty like belly surfer she said shes been threw alot
i always put her car in park and never let her cry alone
i listen to her heartbeat because it plays my favorite song
