I Don't Know

Ric Pink

I Donâ€™t Know

Iâ€™ve been thinking about you alot
Just a little to much
and now I wonder just what youâ€™ve got
that keeps me thinking of you
Could it be that look in youâ€™re eyes
that make me so confused
Could it be-Could it be your disguise
that attracts me to you

I donâ€™t know
Why you make my heart beat
When ever you're near
I donâ€™t know
Why you make me crazy
Oh baby I just donâ€™t know

Iâ€™ve been thinking of you again
It seems itâ€™s all that I do
Can you tell me just where and when
Iâ€™ll find my message got through
Could it be the way that you dress
but even thatâ€™s not enough
Could it be the way your hair is a mess
that keeps messing me up

I donâ€™t know
Why you make my heart beat
When youâ€™re standing so near
I donâ€™t know
Why you make me crazy
Oh baby I just donâ€™t know
I donâ€™t know
Why you make my heart beat
When youâ€™re standing so near
I donâ€™t know
Why you make me crazy
Oh baby I just donâ€™t know
