

# When I Get There

Joe Bloom

Well, you can have the truck and the stuff  
Baby, you can have the house  
Yeah, you and your lawyer and your new boyfriend  
Can all sort it out  
What's left of my pride and these two wheels are all I need  
To take me away from somewhere I don't wanna be  
Baby I'm gone, when you read these words  
I'll be a blue of chrome  
I wanna ride, watch the heat waves rise  
I wanna feel the sun on my face and the wind in my hair  
I'll know where I'm goin?  
When I get there  
From what I hear, the beer is cheap down in Mexico  
I wouldn't mind bein' where they speak a language I don't know  
The altitude of the Rockies  
Might be what I need  
If anybody eve' asks about  
What happened to me  
Tell 'em I'm gone, when you read these words  
I'll be a blur of chrome  
I wanna ride, watch the heat waves rise  
I need to feel the sun n my face and the wind in my hair  
I'll know where I'm goin?  
When I get there  
And if I miss a turn, it won't make a bit of difference  
Baby, where we're concerned  
All I need is distance  
Baby, I'm gone  
I need to feel the sun on my face  
And the wind in my hair  
I'll know where I'm goin?  
When I get there  
Baby I'm gone, ooh, gone  
Oh, I'm going, yeah  
I'm taking my heart and I'm hittin?  
The road of these two wheels  
Baby, I'm gone, gone, gone, gone  
Baby, I'm gone, gone, gone, yeah
