

You're Not Alone

Mads Langer

In a way its all
a matter of time
i will not worry for you
you will be just fine
take my thoughts with you
and when you look behind
you will surely see a face
that you recognize, yeah yeah You're not alone
i wait 'til the end of time
open your mind
and surely its plain to see
you're not alone
i wait 'til the end of time for you
open your mind
surely its time to be with me, yeah yeah It is the distance
that makes life a little hard
to minds that once were close
now so many miles apart
i will not falter
though i hold on 'til your home, yeah yeah
safely back were you belong
and see how all others grown You're not alone
i wait 'til the end of time
open your mind
and surely its plain to see
you're not alone
i wait 'til the end of time for you
open your mind
surely its time to be with me, yeah yeah You're not alone
surely its time to be with me
open your mind, yeah
you're not alone
oh, i wait 'til the end of time for you
open your mind (open your mind)
you're not alone
