You're Not Alone

Mads Langer

In a way its all a matter of time i will not worry for you you will be just fine take my thoughts with you and when you look behind you will surely see a face that you recognize, yeah yeahYou're not alone i wait 'til the end of time open your mind and surely its plain to see you're not alone i wait 'til the end of time for you open your mind surely its time to be with me, yeah yeahIt is the distance that makes life a little hard to minds that once were close now so many miles apart i will not faulter though i hold on 'til your home, yeah yeah safely back were you belong and see how all others grownYou're not alone i wait 'til the end of time open your mind and surely its plain to see you're not alone i wait 'til the end of time for you open your mind surely its time to be with me, yeah yeahYou're not alone surely its time to be with me open your mind, yeah you're not alone oh, i wait 'til the end of time for you open your mind (open your mind) you're not alone
