

Breakeven (Falling To Pieces)

[Reece Mastin](#)

Im still alive but im barely breathing
just pray to a god that i dont believe in
cause i got time while she got freedom
cause when a heart breaks no it dont break evenher best days were some of my worst
she finally met a man thats gonna put her first
while im wide awake she has no trouble sleeping
cause when a heart breaks no it dont break even even nowwhat am i sposed to do when the best part of me was
always you
what am i sposed to say when im all choked up that your okay
im falling to pieces yeah
im falling to piecesthey say bad things happen for a reason
but no wise mans gonna stop the bleedin
cause she moves on while im still breathing
cause when a heart breaks no it dont break even even nowwhat am i sposed to do when the best part of me was
always you
what am i sposed to say when im all choked up that your okay
im falling to pieces yeah
im falling to pieces yeah
im falling to pieces yeah
im falling to pieces oh ohyou got his heart and my heart and none of the pain
you took the suitcase i took the blame
im tryna make sense of what little remains oh
cause you left me with no love with no love to my nameim still alive but im barely breathing
just pray to a god that i dont believe in
cause i got time while she got freedom
cause when a heart breaks no it dont break
no it dont break no it dont break even nowwhat am i sposed to do when the best part of me was always you
what am i sposed to say when im all choked up that your okay
what am i sposed to do when the best part of me was always you
what am i sposed to say when im all choked up that your okay
im falling to pieces yeah
im falling to pieces yeah
im falling to pieces
when a heart breaks no it dont break even
