

Reach For Me

Jackyl

Loneliness-no place to hide
No need to run when I'm at your side
You're looking for something
It's easy to see
You're always changing things
No, you won't let them be CHORUS
And in the still of the night
When you're ready to give up the fight
Then you reach for me
In the still of the night-I can take you where you want to be
When you reach for me
If there's still a fight I can hold you tight and set you free
You've been down this road day after day
You've lived and loved your work is play
You know your needs and it brings you pity
You do your deeds yeah the real nitty gritty CHORUS
You're just a little girl inside
You thought you'd come along just for the ride
And when things didn't work out the way you thought it would be
That's when I feel you reaching for me
Just come on around mama knock on my back door CHORUS
