[Verse 1: T.I.]

Hold up hold up,

Hey you got me more of me on the motherfucking train

Hit the club till the DJ run that motherfucking thang

Gone bout that action shawty you ain't gotta ask

Ye ain't seen king with a bitch if she ain't gotta ass

Man a nigga be about that game I ran that

If I throw over some [?] she ain't my main thang

When I run that rough shit a honey wanna run from me

Call 911 shawty[Verse 1: Nelly]

If they call the cops on me, IDGAF

I won't stop no, IDGAF, baby

Baby girl you should call me tonight

Them other niggas don't know how to talk to you right

You understand what I'm offering right? IDGAF[Bridge: Nelly]

Shake your thang one time for me, (then repeat, repeat, repeat)

Fill my glass one time for me, (then repeat, repeat, repeat)

I'm even talkin' to the girls outside (then repeat, repeat, repeat, repeat)

Shake your thang one time for me, (then repeat, repeat, repeat)[Hook: Nelly]

Girl, let's do it over and over again

I'm not selfish, bring your friend,

See the morning ain't up, so repeat,

You gotta repeat[Verse 2: Nelly]
