You Bleed

Nunslaughter

Dark night our time For hell we chant
All souls condemned Exiled from heaven
Sacrifice your dead messiah calls
Evil God your rancid lord falls
Virgin whore I plant the evil seed
Dying Christ on the cross you bleed
Our lord tells me The dead will walk
Upon this earth To feast on decay
Sacrifice your dead messiah calls
Evil God your rancid lord falls
Virgin whore I plant the evil seed
Dying Christ on the cross you bleed
