Nights of Love

[Papa Roach](#)

The wicked game that you play so good
I'm falling hard just like you knew I would
This won't last, it's too good
I can't stop but I know I shouldDays of war and the nights of love
Heaven's on fire when I'm on the run
Dancing with the devil in the midnight sun
I'm falling in love, I'm coming undone
I'm coming undone, coming undoneI'm out of my head in a memory of you
I'll never forget what you put me through
It wasn't right what you did
But I was just as wrong as youDays of war and the nights of love
Heaven's on fire when I'm on the run
Dancing with the devil in the midnight sun
I'm falling in love, I'm coming undoneDays of war and the nights of love
Heaven's on fire when I'm on the run
Dancing with the devil in the midnight sun
I'm out of my head, I'm coming undoneI'm on the outside looking in
I turn my back on myself again
I'm gonna make sure I'm coming out
Somebody better come and tie me downI said I'll never do it again but then I keep on giving up
I've gotta turn my world around
Because it keeps on knocking me down
I'm knocking me downI fell hard, it felt good
This won't last, I wish it would
It wasn't right what you did
But I was just as wrong as youDays of war and the nights of love
Heaven's on fire when I'm on the run
Dancing with the devil in the midnight sun
I'm falling in love, I'm coming undoneDays of war and the nights of love
Heaven's on fire when I'm on the run
Dancing with the devil in the midnight sun
I'm out of my head, I'm coming undoneI'm on the outside looking in
I turn my back on myself again
I'm gonna make sure I'm coming out
Somebody better come and tie me downI swear I'll never do it again but then I keep on giving up
I've gotta turn my world around
Because it keeps on knocking me down
Knocking me down, knocking me down
Knocking me down, yeah
