

# Yemaya

## Kele Okereke

In a dream, I hear her laughter  
Like waves upon the shore  
It pulls me further out than I should go  
Underneath the asphalt stirring  
The stream of the earth  
Break your holy waters over us Oh Yemaya, I'm clear  
Oh Yemaya, I'm listening  
Oh Yemaya, I'm clear  
Oh Yemaya, I'm listening It starts first at the centre flowing  
Knows just where to go  
Like the newborn swimming in a stream  
Through the rusted pipelines sprawling  
Sunken concrete ruin  
Where the delta meets the ocean floor  
Oh Yemaya, I'm clear  
Oh Yemaya, I'm listening to you  
Oh Yemaya, I'm clear  
Oh Yemaya, I'm listening to you, ooh
